

THE DIRECTOR OF
CENTRAL INTELLIGENCE

30 November 1982

National Intelligence Council

The Honorable Kenneth W. Dam
Deputy Secretary
Department of State

Dear Ken:

Harry Rowen told me you were looking for material for a talk on the broader implications of international financial problems. The attached talks by Tony Solomon and by Witteveen are the best I have seen on the subject. I hope you find them useful. If you need additional material, please call me on

25X1

Best wishes,

25X1

Maurice C. Ernst
National Intelligence Officer
for Economics
